

Pearls of Wisdom – 2010

Message from H H Sri Sri Sri Vidyanarayana Thirtha Swaminaha,
Shankaracharya, Dwaraka Badarikashram

First and last are two precious words.

First – Sacrifice

Last – Self Contentment

We should realise that the first and the last are two precious words given by Lord Shiva to one and all.

All ends at God's feet.

Anything to everything.

We foolish people don't understand this.

We ignore going to the feet of God.

And yet get everything, gain everything, including Health – Peace – Prosperity.

Make clear.

You will be made clear.

Mint your life.

Maintain your life but don't Minus your life.

Make Clean.

Make clear mint and Maintain your life.

One day man asked God :

What's the difference between your love and my love ?

God smiled and replied:

"a bird in the sky is my love and a bird in the cage is your love".

Remember you are the most magnificent outstanding remarkable being God has ever created.

May God Guru Bless you.

The depth of your character will be revealed in the way you respond to situation you dislike.

The biggest temptation of life is " to convert dreams to reality".

But, the biggest defect in life's journey occurs when "we surrender our dreams to reality"

Daddy is a great man who spares his life,
Hides his feelings,
Ignores his happiness,
Accepts the pain,
Forgets his comfort,
Struggles at work,
To make us life comfortably and be happy in our life without a struggle.
So don't hurt daddy, Pat gentle daddy.

A mind in peace is heaven.
A mind in pieces is hell.
We should watch our thoughts in our mind.

I love you all
I thank you all
I bless you all

Prayer is where an amazing exchange happens,
You handover your worries to God and he handles over his peace to you.

Millions of trees in the world are accidentally planted by squirrels who bury nuts and then forget where they hid them. Do good and forget it.

Caste is concentration of energy.
Energy to dedicate to suit the humanity and human tendencies.
To have heart.
To recognize super fine energy which is called God.
Caste is distribution of energy to suit human mental attitude.

Prayer is equal to good time.
Good time for remembrances, discussions and to analyse our minds.
Prayers divert our negative thoughts to positive thoughts.
To do this we offer our prayers as
"I love you master,
I thank you master,
Please bless me to be at your feet"

I am master.
Master is in me.

I am at his holy feet.

I am this.

I am not this.

But I am this.

God is very kind.

Everyone is allotted duty.

What is duty ?

Duty is allotted by divinity. Duty is divine.

Always see the feet of God.

Activate your action by seeing the feet of God. By this, you reap rich dividends.

Prayer is compulsory.

Bake yourself before prayer.

You want Benefit?

You want benefit but, you don't want to become one.

Become one and benefit from oneness.

Men should kill selfishness, ego and jealousy.

Relax, Retain, Regain the Dharma.

From birth to 5 years there is no account for any individual.

5 years to 21 years there is a joint account (Individual + Parents + Teachers)

From 21 years till marriage there is an independent account holder.

After marriage, there is a joint account (Individual + Spouse)

I am a bubble in the ocean.

There are millions of bubbles in the ocean.

The miracle is to accept divinity.

Don't copy. Don't compare. Don't get into comparison and confusion.

We want benefit from Guru but no Guru.

Whatever you do you are accountable.

Quality Outside

Quality Inside

Education plays a vital role.

The quality of education determines how we live.

The highly qualified people are simple.

Indian caste is inside

Western caste is outside

Be fashionable,

Don't beat fashion,

Don't bear fashion,

Don't be after fashion.

Are you ready to go with the world, or with divinity ?

Mix to mingle,

Mingle to mingle,
Mingle to maintain,
Maintain to minus,
And
Minus to maintain.

They are masters
But they are not masters

Help the poor,
But don't advertise

Truth is fire.
You cannot touch truth

Condition corruption and conceive corruption.
Conditioned corruption is allowed.
Conceive corruption is not allowed.

Cheat society but don't cheat God.

I need discipline.
But, I don't want discipline.

I need an orthodox order in my life.
But, I don't want an orthodox order.

We all came to earth,
It is a beautiful thing.
To enjoy all his things in a right way given by him,
To help his needful children in a good and needful manner.

Energy is rotating to reveal.

Fact is a fact.

Sharing is very very important

I need media

But, I don't want media.

Continue seva in a simple way.

Lead a practical, perfect and powerful life.

When you maintain yourself,
Then you come near to Master.
When you maintain yourself as Master,
Then, you become yourself Master.

Love to Lead

Through body and words from your mouth.

Base and background are necessary in one's life.
Base is professional background (economic status)
Background is family background (caste is society allotted duty to oneself)

Account of life
Good deeds and bad deeds.

For ladies not accountable to any level to anything. Why ?
Ladies are not accountable for one's life.
But, they are accountable for every aspect of life.

Correct to connect.
Connect to correct.

Birth to death, all human beings are accountable. Not only human beings. But, all living creatures are accountable - for good and bad deeds.

Connect
Contact
Conceive
Compose
Cool
Don't Confuse

Darkness goes, light comes called Morning
Light goes, darkness comes called Evening.
During these two periods if you offer prayers they will remove obstacles.

Media is accountable.

Exposure leads to explosion.

Good thoughts like rays affect the body system and brings the fruits of your activities in life.

I will speak the truth.

I will make others to speak the truth.

Cat & Rat

Rat should not be afraid of the cat.

If rat is weak and is afraid of the cat, Cat will swallow Rat.

Be Bold to face Rich People.

Attract soul. Don't attach to the activeness.

If you expose, you could be explored. Express your inner feelings, then you extend.

Ego, selfishness should go. Then only, society will improve.

Time is the answer.

As you seek inner realization, say:

I love you Master,
Thank you Master,
Always, at all times.

If you can withstand, you will not have desires.

The biggest challenge is to be yourself in a world where everyone is trying to make you someone else. Dare to be yourself.

He carries on
He will carry on and
Trust Him forever to carry on in our life.

They carry but they don't know what they carry. Like donkeys they don't know. Be aware that you carry your karma.

Save to speak. Save to Serve. Save to settle. Save to be with saints and seers.

The result of this is balance of mind = peace + health + wisdom

Maya is very very powerful. Maya is multiple energy. Be with maya. Become one with maya. Bake in maya. Benefit from maya. Be away but be near to maya.

Avoid and encourage to avoid 3 things : 1. Ego, 2. Selfishness, 3. Jealousy

Mind is the mightiest organ in the world. It can build. Or it can blast.
Impatience in young generation is because of comparison and copy.

Always compose. Don't compare or copy.

Do not demand respect. Command Respect. Do not demand. Do not command. But follow.
